2014 Announcement

The Twentieth Bor-Uei Chen Memorial Scholarship Award

Frank Chang, PSC President

Norman Kwong; Chairman of Scholarship Committee

On behalf of the Bor-Uei Chen Memorial Scholarship Committee, I am pleased to announce that the Twentieth scholarship award will be presented in the PSC Annual Meeting in Los Angeles, California during OFC'2015. The Committee is now accepting nominations of qualified candidates from any **sponsoring PSC members**. You can copy the nomination form on the last page for your own use and attach any supporting documents to demonstrate candidate's achievements in academics and research. Nomination form is also available on PSC web sites: (www.psc-a.org) (www.psc-sc.org) (www.eoa-psc.org) or send your request directly to me at fymchang@gmail.com. The nomination deadline is **September 30, 2014**. Nominations received after this date will not be considered. For convenience, electronic submission is preferable. Here are some highlights about this memorial scholarship:

1. The purpose of this scholarship is 1) to honor Dr. Bor-Uei Chen for his contributions in photonics and his services to the photonics community; 2) to recognize outstanding graduate students in the field of **optical communications** and **photonic devices**.
2. A scholarship committee, appointed by the PSC Board of Directors, is responsible for making announcements, conducting fund raising, and overseeing the selection process.
3. Each year, the Committee will issue a call for nomination in the winter (or summer). The committee will determine and oversee the review process of applications and make recommendations to the PSC Board of Directors for final approval. The winner or winners will be announced on the websites and notified individually one or two months before the Annual Meeting.
4. The selection of scholarship winners will be based on the merit of candidate's research work, which must be documented by technical publications or conference presentations and supported by strong recommendations from the candidate's sponsor and advisor.

5. The scholarship award consists of an award certificate and a check of \$1,000. The amount of scholarship and the number of winners may vary, and the Committee reserves the right to make any changes deemed necessary. The winners in past years include:

1995: Lih-Yuan Lin (UCLA) Jerry Chen (MIT) Yan Sun (Stanford)
